Eligibility for this Plan is also based on your resident zip code.

Retiree Eligibility

- within 30 days of the date you become eligible to participate
- during Annual Enrollment
- within 30 days of a qualifying change in family status that makes you eligible to enroll

Enrollment procedures for you and your eligible family members are described in the *Participating in Healthcare Benefits* section.

Cost of Coverage

You and the Company share the cost of coverage for both you and your eligible family members.

The cost of your coverage depends on the level of coverage you choose.

You can choose from three levels of coverage:

	Semi-monthly Cost	Weekly Cost
Employee Only	\$16.88	\$7.79

You will be sent your ID card(s) within two to four weeks of your enrollment.

You may request additional ID cards directly from the Claims Administrator.

The ID card will provide instructions on how to select your physician.

How the Plan Works

This Plan helps you and your family pay for medical care. You may pay a COPAYMENT for certain services. Generally, your care is fully covered after you pay a set copayment per visit. You select a primary care physician (PCP) who will manage your care and refer you to a specialist or other provider in the network if necessary. Except in an emergency, you do not receive benefits if you receive care outside the network.

For more information, including coverage criteria, other limitations of covered services, and excluded services, see the ***HMSA's Health Plan Hawaii Plus Guide to Benefits***.

Certain expenses not covered by the Plan, such as copayments and services that are not covered, may be reimbursed through a Health Care Flexible Spending Account.

Some services have specific limits or restrictions; see individual service for more information.

Benefits are only paid for medically necessary charges or for specified wellness care expenses.

Preauthorization may be required in order to receive coverage for certain services.

Filing a Claim

If you use an in-network provider, in almost all cases, you do not have to file a claim form. In the very rare cases that you might need to file a claim, contact the Claims Administrator.

If you receive services from a provider who does not participate in the network, those services will not be covered. Out-of network benefits are not covered under the Plan except in an emergency.

For Flexible Spending Account Reimbursement

If you participate in the Health Care Flexible Spending Account, you must complete a Flexible Spending Account (FSA) Claim Form and return it as the form instructs for reimbursement.

Appealing a Claim

There are special rules, procedures and deadlines that apply to appeals of benefit determinations and denied claims and you have special legal rights under ERISA. Please refer to the *Administrative Information* section for a description of the appeal process.

To obtain spousal or domestic partner coverage, you will need to complete an Affidavit of Eligible Family Membership via MMC Benefits Online declaring that:

Spouse / Domestic Partner

- You have already received a marriage license from a U.S. state or local authority, or registered your domestic partnership with a U.S. state or local authority; or

Spouse Only

- Although not registered with a U.S. state or local authority, your relationship constitutes a marriage under U.S. state or local law (e.g. common law marriage or a marriage outside the U.S. that is honored under U.S. state or local law).

Domestic Partner Only

- MMC reserves the right to require documentary proof of your domestic partnership at any time, for the purpose of determining benefits eligibility. If requested, you must provide documents verifying either the registration of your domestic partnership with a state or local authority or your cohabitation and/or mutual commitment.

Once your Affidavit of Eligible Family Membership is completed and processed, you may cover the dependent child(ren) of your spouse or domestic partner.

COINSURANCE

The percentage of expenses you are responsible for paying after you meet your deductible.

CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA)

A Federal law that lets you and your eligible family members covered by a group health plan extend group health coverage temporarily, at their own expense, at group rates plus an administrative fee, in certain circumstances when their coverage would otherwise end due to a "qualifying event", as defined under COBRA.

A "qualifying event" under COBRA includes loss of coverage as a result of your leaving the Company (other than for gross misconduct); a reduction in hours, your death, divorce or legal separation; your eligibility for Medicare, or a dependent child's loss of dependent status; or, if you are a retiree, loss of coverage due to the Company filing for bankruptcy.

COORDINATION OF BENEFITS

You or a covered family member may be entitled to benefits under another group health plan (such as a plan sponsored by your spouse's employer) that pays part or all of your health treatment costs. If this is the case, benefits from this plan will be "coordinated" with the benefits from the other plan. In addition to having your benefits coordinated with other group health plans, benefits from this plan are coordinated with "no fault" automobile insurance and any payments recoverable under any workers' compensation law, occupational disease law or similar legislation.

COPAYMENT

The flat dollar amount you pay for a certain type of health care expense.

COVERED SERVICE(S)

Medically necessary health services provided for the purpose of preventing, diagnosing or treating a sickness, injury, mental illness, substance abuse, or their symptoms.

Covered health services must be provided:

- when the plan is in effect
- prior to the effective date of any of the individual termination conditions set forth in this Summary Plan Description
- only when the person who receives services is a covered person and meets all eligibility requirements specified in the plan

Decisions about whether to cover new technologies, procedures and treatments will be consistent with conclusions of prevailing medical research based on well-conducted randomized trials or group studies.

The Claims Administrator determines only the extent to which a service or supply is covered under the plan and not whether the service or supply should be rendered. The coverage determination is made using the descriptions of covered charges included in this section and the Claims Administrator's own internal guidelines. The decision to accept a service or obtain a supply is yours.

DEDUCTIBLE

The amount of out-of-pocket expenses you must pay for covered services before the plan pays any expenses.

DURABLE MEDICAL EQUIPMENT

Durable medical equipment is equipment that is:

- for repeated use and is not a consumable or disposable item
- used primarily for a medical purpose, and
- appropriate for use in the home

ELIGIBLE FAMILY MEMBERS

Child/Dependent Child means:

- your natural child
- a child for whom you are the legally appointed guardian with full financial responsibility
- the child of an approved domestic partner
- your stepchild
- your unmarried child over the limiting age, who is incapable of self support by reason of a total physical or mental disability as determined by the Claims Administrator
- your legally adopted child or a child or child placed with you for adoption

For your child to be covered, your child must be:

- dependent on you for maintenance and support, and
- under 19 years of age or
- under 25 years of age if a full-time student in a college or other accredited institution (generally those with 12 or more accredited hours of course work per semester, or full-time as determined by the school) and not employed on a full-time basis and
- unmarried

The Company has the right to require documentation to verify dependency (such as a copy of the court order appointing legal guardianship). Company medical coverage does not cover foster children or other children living with you, including your grandchildren, unless you are their legal guardian with full financial responsibility - that is, you or your spouse claims them as a dependent on your annual tax return.

ELIGIBLE KROLL EMPLOYEES

As used throughout this document, "Kroll Employees" are defined as employees classified on payroll as U.S. full-time regular employees of Kroll, Inc. or any of its subsidiaries.

ELIGIBLE MMC EMPLOYEES (OTHER THAN KROLL)

As used throughout this document, "MMC Employees (other than Kroll)" are defined as employees classified on payroll as U.S. salaried employees of MMC or any subsidiary or affiliate of MMC (other than Kroll Inc., and any of its subsidiaries).

ELIGIBLE RETIREE

An employee is eligible for coverage under this plan if he/she is a U.S. salaried employee of MMC or any subsidiary or affiliate of MMC (other than Kroll, Inc., and any of its subsidiaries) who terminates employment with five or more years of vesting service at age 55 or later, or at age 65 and eligible for active employee medical coverage at retirement or is a current retiree under age 65 enrolled in retiree medical coverage.

When you or a covered family member reach age 65 or become eligible for Medicare, you and your covered family members are no longer eligible for coverage under this plan.

EVIDENCE OF INSURABILITY (EOI)

Evidence of Insurability (EOI) is proof of good health and is generally required if you do not enroll for coverage when you first become eligible. If the coverage level you are requesting requires such evidence or if you are increasing coverage. Establishing EOI may require a physical examination at the employee's expense. The EOI must be provided to and approved by the insurer/vendor before coverage can go into effect.

EMERGENCY ROOM COVERAGE

An emergency medical condition is a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson (including the parent of a minor child or the guardian of a disabled individual), who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in:

- placing the health of the individual (or, with respect to a pregnant woman, the health of the woman and her unborn child) in serious jeopardy
- serious impairment to bodily functions
- serious dysfunction of any bodily organ or part

Some examples of emergencies:

- heart attack, suspected heart attack or stroke
- suspected overdose of medication
- poisoning
- severe burns
- severe shortness of breath
- high fever (103 degrees or higher), especially in infants

- uncontrolled or severe bleeding
- loss of consciousness
- severe abdominal pain
- persistent vomiting
- severe allergic reactions

The plan covers emergency services necessary to screen and stabilize a member when:

- a primary care physician or specialist physician directs the member to the emergency room
- a plan representative (employee or contractor) directs the member to the emergency room
- the member acting as a prudent layperson and a reasonable person would reasonably have believed that an emergency condition existed

A QMCSO is usually issued requiring you to cover your child under your health care plan when a parent receiving post-divorce custody of the child is not an employee.

QUALIFYING EVENT

A "qualifying event" under COBRA includes loss of coverage as a result of your leaving the Company (other than for gross misconduct); a reduction in hours, your death, divorce or legal separation; your eligibility for Medicare, or a dependent child's loss of dependent status; or, if you are a retiree, loss of coverage due to the Company filing for bankruptcy.

REASONABLE & CUSTOMARY (R&C) CHARGES/FEES

Charges/fees that do not exceed the prevailing charges for comparable services in your provider's area. The Claims Administrator determines these limits based on the complexity of the service, the range of services provided and the prevailing charge level in the geographic area where the provider is located. The plan's reasonable and customary guidelines include up to the 90th percentile of providers' charges in the area.

The plan does not cover amounts charged by providers in excess of the reasonable and customary charge for any service or supply. The Claims Administrator regularly reviews the reasonable and customary charge schedule. To confirm whether your provider's charges are within the reasonable and customary limit, obtain a Predetermination of Benefits.

WAITING PERIOD/ELIMINATION PERIOD

The amount of time you must wait before being able to participate in a plan.
